Blowing up of the Emigrant Enterprise! It appears that the committee has been -Great number of Lives Lost! - Many fles, Damaged Divines, and Done-over Demagogues!!

gan and general news transporter for are soliciting aid for bleeding Kansas. the fusioffists during the late campaign. finds it impossible to play the farce any as the several committees have been longer, and comes out with the follow- written to repeatedly and no reply. ing facts, as furnished by a correspon-

ed Emigrant Aid Societies of the North go upon claims? No! Will they be upon those who have intrusted them with donations to relieve the necessities will they be left to shift for themselves and sufferings in Kansas. For some and turn bandits for their support, which speculating concerns, all pointing to the Territory? For instance, the colothe same abuse of trust, and the same nies from the South were sent in with

vicious principle of emigration, and not ence, and to raise means to get out of the Territory, and a war followed with ern Territories, for those whom a paltry Missouri, as she was charged with many advance could thus induce to go into of these crimes. Kansas or Nebraska were scarcely the material out of which to make hardy pioneers or industrious farmers. If, I procured an old log house for the purhowever, it shall turn out, in addition pose of storing the baggage belonging to all this, that the aid societies are unfaithful and avaricious, and fraudlent Lecompton. The building had been powerful incentives to discourage and and then for a stable by any one who besides, we shall have even still more discountenance them. We commend chose to use it. I procured the use the communication to which we have of it from Governor Robinson. The referred, and the many signatures person I have reference to, wanting the attached to it, to the attention of those concerned, and demand, in the or had belonged to the Aid Society, put name of the destitute and impoverished men and women who have lost notice. The baggage contained all of their substance in the late distressing collisions in Kansas, that the agents who have made collections for their rethe aims and character of these aid soci- to store it. If that is the way men in lief be held to strict accountability, and eties be more closely examined into. It prison are to be treated, what can any they shall prove to be mere associations of the benevolent, we have no right to question the propriety of their formation, but if they be merely banded pigeon-droppers in disguise, it will become the duty of the press to expose and uproot them. The happiness of a people has more claim upon the sympathy of the public than the success of speculators in charity. Nor in this language do we wish to confine ourselves exclusively to those associations which have been formed in the North under this the above statement. title.
